WORKSHOPS

Tending the Waters (Grief Tender Training), Fox Healing, Barnardsville, NC	August 2026
--	-------------

SELECTED WORK EXPERIENCE

Hemm Consulting and Project Management	August 2023 – present
---	------------------------------

Fortunity (Asheville, NC)

- Observe and evaluate continued sustainability of multifaceted, longstanding cohousing project
- Assess and revise current protocols, including conflict management strategies, housing agreements, and shared work
- Develop new strategy for connecting with future residents and cooperative owners

Nampara Sculpture and Arts/Vandalia Bronze, LLC (Morgantown, WV)

- Research and apply for public art projects and grants
- Create and maintain shared Google workspace to house quotes, invoices, artists' portfolios, grant applications, templates, and other documentation as needed
- Create and maintain spreadsheets tracking current jobs, grant and calls-for-art applications, past and current clients, and artists' portfolios to date

Celeste Mott (New Orleans, LA)

- Evaluate and suggest new organizational strategies for rapidly-growing sole proprietorship
- Provide supplemental support as needed with content editing, brand outreach, and online workspace
- Occasional in-person support for travel and networking events

University of Miami. Coral Gables, FL	January 2024 – June 2025
--	---------------------------------

Postdoctoral Research Fellow, Countering Online Networked Extremist Conspiracy Theories (CONNECT)*

- Trained and managed teams of graduate students who detect conspiratorial language in online documents via manual coding and generative AI
- Edited and published articles in multiple disciplines/styles (APA, MLA, Chicago, CSE)
- Located and analyzed mass-shooter manifestos and social media related to white genocide and white supremacy beliefs
- Co-designed Qualtrics surveys and psychological experiments to study conspiratorial thinking

*Note: project prematurely terminated due to DOGE cancellation of NSF grant (SaTC Award # 2123635)

University of Miami. Coral Gables, FL

August 2017-December 2023

Research Fellow, Project Manager, Instructor, Tutor

- Research Fellow with CONNECT. Multifaceted projects included training graduate student coders to analyze high volumes of documents, analyzing coding results, seeking out and analyzing mass shooter manifestos and other extremist documents
- Project Manager with WhatEvery1Says. Mellon-funded multi-institutional, interdisciplinary team which used digital humanities techniques to analyze humanities discourse in news, social media, and surveys. Researched, drafted, and managed IRB application and eventual exemption status
- Transitioned my team to remote and international work due to COVID-19. Created and disseminated, and analyzed Qualtrics surveys and focus groups. Coordinated with West Coast teams to conduct six-week boot camp to interpret data and publish findings
- Research Assistant with HistoryMiami. Cleaned museum archive metadata across multiple platforms in preparation to upgrade software. Assisted with finding and flagging items for the Queer Miami Exhibit
- Instructor of Record, First-Year Composition and American Studies. Designed and managed courses which addressed themes of diversity and justice, particularly within online communities
- Tutor, Writing Center. Assisted undergraduate and graduate students with a variety of written assignments, including essays, resumes, and dissertations, from planning to final draft

University of New Orleans. New Orleans, LA

August 2015-May 2017

Coordinator Associate of First-Year Writing and Creative Writing, Instructor

- Coordinated English placement, including proctoring and scoring exams. Assisted with FYWP faculty meetings, TA training, faculty orientation, and campus-wide events. Created and edited document specifying duties and deadlines for future employees
- Coordinated exams and thesis defenses with MFA program and the Graduate School; prepared MFA applications for program director; organized and coordinated annual MFA graduation banquet
- Collaborated with English Department chair, including creating and maintaining faculty evaluation documents; planned and hosted events, including monthly talks, annual department Alumni Night, and faculty presentations
- Taught first-year composition in conjunction with Student Support Services, a federally-funded program for first-generation students with financial considerations and documented disabilities

University of New Orleans. New Orleans, LA

August 2013-May 2015

Graduate Service Assistant, Graduate Teaching Assistant

- Assisted English Department staff and faculty as needed, including alumni outreach, researching programs at peer institutions, maintaining and organizing student and alumni databases, and editing departmental documentation
- Instructor of Record, First-Year Composition
